Great American Smokeout

The American Cancer Society is marking the 37th **Great American Smokeout** on November 15 by encouraging smokers to use the date to make a plan to quit, or to plan in advance and quit smoking that day. By doing so, smokers will be taking an important step towards a healthier life – one that can lead to reducing cancer risk.

The Funny Bone

A plane was taking off from Kennedy Airport. After it reached a comfortable cruising altitude, the captain made an announcement over the intercom: “Ladies and gentlemen, this is your captain speaking. Welcome to flight 293, non-stop from New York to Los Angeles. The weather ahead is good and therefore, we should have a smooth and – AHHHHH!”

Silence followed, and after a few minutes the captain came back on the intercom and said: “Ladies and gentlemen, I am so sorry if I scared you earlier; but, while I was talking, the flight attendant spilled a cup of hot coffee in my lap. You should see the front of my pants!”

A passenger in coach shouted, “That’s nothing. He should see the back of mine!”

 For rest and shelter of the night,
 For health and food, for love and friends,
 For everything Thy goodness sends.”*

5 Steps to Get Your Car Ready for Winter

- Check tire pressure and wear
- Check your wiper blades and replace if necessary
- Check to see if any repairs are in order
- Put together an emergency kit
- Test the battery and electrical systems

These are some steps to avoid breaking down in cold and dangerous weather conditions. Tire pressure can drop in colder conditions. A marginal battery can easily fail after the demand of your defroster, windshield wipers, and heating system. Be cautious and careful this winter and take the necessary steps for your safety. Thanksgiving For Your Pets

If you decide to treat your pet to a little nibble of turkey make sure it is cooked thoroughly and boneless. Herbs in the dressing can cause gastrointestinal upset and central nervous system depression, especially in small cats. No raw bread dough (dough rising can cause vomiting) and no cake dough because of raw eggs and salmonella.

What comes in the middle of Thanksgiving and also at the end? *The answer is on the last page*

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."

Fat And Happy

Twass the night of Thanksgiving, But I just couldn't sleep.
I tried counting backwards, I tried counting sheep
The leftovers beckoned — The dark meat and white,
But I fought the temptation with all of my might.
Tossing and turning with anticipation
The thought of a snack became infatuation.
So I raced to the kitchen, Flung open the door,
And gazed at the fridge full of goodies galore.
I gobbled up turkey and buttered potatoes,
Pickles and carrots, beans and tomatoes.
I felt myself swelling so plump and so round,
Till all of a sudden, I rose off the ground !!
I crashed through the ceiling. Floating into the sky....
With a mouthful of pudding and a handful of pie,
But I managed to yell as I soared past the trees ...
HAPPY EATING TO ALL !!
PASS THE CRANBERRIES PLEASE !
